NEW PRODUCT: WETOR Headlight Restoration Kit with Polymerization Finish

WETOR Headlight Restoration Kit with Polymerization Finish

Code: **APRKO**
\$349 +GST

Code: **APRKO-1** (600ml bottle only)
\$95.50 +GST

* **Limited stock**

This headlight restoration kit is an innovative system to restore headlights made yellow, dull, and hazy by the sun to their original state in a very fast and economical way.

The Weter 2310 polymerization liquid included in the kit restores the headlights to an outstanding finish in a couple of minutes.

The Weter 2310 Polymerization Liquid will restore approximately 30-40 headlights i.e. more or less 15-20 cars.

Kit contains:

- 1 bottle of Weter 2310 restorative liquid 600ml
- 1 cup
- 1 charger
- 2 cup caps
- 1 adhesive roll tape
- 1 funnel

BUNDLE PROMO: Buy a Pacer Banana Wax and get one Surface MicroACE Cloth for FREE!

Bundle price: \$29.75 +GST Total Value: \$39.97 +GST

Pacer® Banana Wax

Code: **PWAX** Size: **1L**

Pacer® Banana Wax uses nano technology and carnauba wax to deliver an extended protection while providing a deep "wet look" gloss and shine.

- Bodyshop Approved: Contains no volatile silicones
- Easy to apply: Wipe on – polish off

Surface Mirco-Ace Microfibre Cloth

Code: **S0225S**

- Enhanced buffing action to achieve higher gloss quality
- Microfibre weave traps dirt, dust and polish residues.
- Leaves no marks, scratches or lint.
- Size: 40 x 40cm

ARID DRYING TOWEL

Code: **C0214**

\$31.03 +GST

Was \$36.50+GST

- Edgeless, premium drying microfibre drying towel
- Dual layered
- 600gsm microfibre.
- No lint, scratch-free - absorbs car wash water quickly and easily.
- Size: 500mm x 800mm
- No care label to avoid scratching.

CAR TOOL BOX CLAMP WITH PULL BRACKET

Code: **HD0102NN**

\$101.50+GST

Was: \$145 +GST

- Pulling Capacity: 3 Ton (straight pulling), 2 Ton (top pulling).
- Drop forged construction provides more pulling power and greater wear resistance.

MIPA CX11 HS EXPRESS CLEARCOAT 1L

Code: **MSCX11**

\$37.43 +GST

Trade Price: \$49.90 +GST

- A clearcoat of low viscosity for a quick and efficient result (Express Technology), that generally does not require oven drying.
- Cures very quickly at room temperature (20° C) and can be polished manually after only approx. 50 minutes.
- More intensive polishing by machine is possible after approx. 90 minutes.
- Significantly reduce spraybooth heating-related costs and improve cycle times.
- Suitable for partial car painting and for spot-repairs.
- Ready for use after the addition of hardener
- Provides resistance against all environmental and climatic conditions with a durable gloss retention and excellent scratch resistance.
- Mixing ratio: 2:1 Hardener: HS 10, HS 25

IES BORON BUSTER CUTTING TOOL LUBRICANT 30G

Code: **IES12020**

\$20.72 +GST

Was \$25.90 +GST

- A high performance, wax-like, metal cutting lubricant that reduces friction and heat for longer tool life.
- Ideal for drilling and sawing: steel, most high strength steels, including some boron alloys and stainless steel. Extends drill bit and saw blade life far beyond other liquid lubricants.
- Easy clean up! Washes off completely with water.

MIPA CC12 2K HS ACYRLIC CLEARCOAT 5L

Buy Mipa CC12 Clearcoat at 50% OFF

Special Price: \$98.28+GST

Trade Price: \$196.55

Code: **MSCC12**

- High Gloss, VOC compliant 420g/l
- Ready for use with 0 to 5% Thinners
- Brilliant finish is achieved immediately after application
- Increased tolerance to solvent pop (Roofs, Bonnets)
- High UV Protection even for Neon colours (fluorescent)

GYS DENT PULLER 34.02 (TROLLEY not included)

The GYSPOT 3402 with its 3500 Amp maximum output is the ideal product for dent pulling and straightening of steel car body components (bonnet, door, roof panel etc.).

With four modes available:

- Welding of stars and washers for panel pulling.
- Wavy wire welding, ideal for a curved profile (e.g. wheel arch)
- Contact shrinking, to work on light impacts and for the highest quality finish.
- Able to use a graphite pencil.

- 1 spot inertia hammer (1,1kg)
- 1 star holder tip
- 3 stars
- 1 contact shrinking tip
- 1 earth pad
