**SEALING TAPE 8MM X 16M**

**MEGURO SEALING TAPE PRIMER AEROSOL 420ML**

Seam sealer tape from Japan is a patented rubber tape designed to quickly and effectively recreate the OEM finish (i.e. with a half moon profile and not flat like other brands) on doors, bonnets, boot lids and wheel arches. Eliminate using messy seam sealer guns which require skill, take time, can look bad and cannot be painted immediately.

**SEALING TAPE PRIMER  
AEROSOL 420ML**

The sealing tapes have an adhesive backing but this aerosol primer acts as a rust inhibitor as well as assisting with the two pack bonding process.
